Executive Order

March 22, 1971

MEMORANDUM

FOR: Mr. Richard Helms,
Director, Central Intelligence Agency

FROM: Peter G. Peterson

SUBJECT: Request for Help on Presidential Presentation

I am considering making a presentation at the first Council on International Economic Policy meeting, April 5, on some key changes in the U. S. economic position in the world.

Your staff has already made a contribution in the collecting of relevant material.

What I would like to ask, however, is that your graphics or visual aids man get in touch with Mr. Deane Hinton of my staff (456-2811). What I would hope your people could do for us is to make a hard-hitting, coherent presentation of the data which Hinton and I have assembled.

It is a big job, and the sooner we can get at it the better.

P. G. Peterson
If you could help, I'd sure appreciate it.
